over bath shower panels

Simplicity with elegance

Based on the Kudos ultimate walk-in shower enclosure system, ultimate fixed shower panels offer a simple yet elegant solution to over-bath showering. Available in 4 sizes, the 10mm toughened safety glass panels with Lifeshield™ coating are 1600mm high and with a choice of fixings in either Silver/Chrome, Matt Black, Brushed Gold, Polished Gold, Bright Nickel and Brushed Nickel finishes, you can create combinations to suit virtually all situations.

A retro-fit Foldaway deflector panel allows for smaller fixed panels to be fitted to give maximum access to the bath and controls whilst ensuring that when showering the spray is contained within the bathing area.

Foldaway Deflector Panel

The Ultimate over-bath foldaway deflector panel when in use helps keep water inside the bath and when not in use folds neatly behind the front panel leaving access to the bath.
