\*Available in Left or Right handed options - left hand version shown. 94mm waste hole dimension to suit Kudos 90mm high flow waste with metal chrome domed top (supplied separately). †Plinths for Curved and Bowed trays are supplied with moulded fascia panel/s. Tested in accordance with BS EN274-2:2002. \*Guarantee applies to material and manufacturing defects only. See website for full Terms and Conditions.

The Concept Plinth makes fitting a **concept shower tray** easier and faster than ever.

1. Use shower base as template.

2. Adjustable steel frame for levelling and easy plumbing.

3. Easy fit baseboard for total support, providing easy access to waste connection.

4. Plinths are available to suit all concept trays.

Moulded fascia panels fit under the tray when plinth height set at 110mm, a surface mounted, flexible, flat panel is available where it is necessary to raise the plinth higher than 110mm.
